

New Year—New Ideas Welcome!

The North American Reciprocal Museum (NARM) Association is still growing with 743 members this quarter! And we are always looking for more ways to help our members, i.e. you, grow your membership! Our new logo, the window decal, the brochures and the fantastic new website were developed at the request of NARM institution members three years ago to help benefit and promote this one-of-a-kind reciprocal association—and we hope you will keep the ideas coming!

The new NARM website was developed by a company called Any Color You Like under the direction of Nate Phillips. Not only did they do a great job turning ideas into reality, they were a huge help in organizing the layout and remaining flexible throughout the entire process. One of the most important features of the new site is that it is easy to administer. This way the site's continuing development and new member ac-

cess isn't dependent on the developer's time (or NARM budget!) to stay updated and relevant. This is a huge asset for the association as it allows NARM to continue growing without increasing website costs!

If you are thinking of redesigning your website to be more responsive to your needs, Any Color You Like wants you know that they are taking on new projects and will offer up to 20% off the standard rates to all NARM members! Check them out here: <http://natephillips.co>

NARM is **always looking for new ideas** to help you promote your membership benefits and your exhibitions. Be sure to check on the next page for more information on a wonderful new idea for the NARM website and email me your ideas: narmdirector@gmail.com

Virginia

The Next Great Idea—Exhibitions For Rent?

Does your institution rent traveling exhibitions or are you looking for an exhibition to rent?

A recent discussion with Melissa Ford at the Marshall M. Fredericks Sculpture Museum has led to the development of a new page on the NARM website where you can do just that!

NARM is planning to create an Exhibition Space in the 'Staff' pages where you can submit exhibition information which you would like to rent out, and search for exhibitions to rent. What information would you be interested in seeing on the page? How should the page be categorized?

Please send in your thoughts/ideas for the new page by the end of March so we can get the new page up soon!

Stickers and Sticker Replicas

The NARM gold sticker is an icon of NARM, however, replicas of the sticker printed directly on a qualified members card are also acceptable NARM identification.

There are two replicas available, one in gold and black for use on color printers, and one in black and white for use on black and white printers. Either replica printed on a qualified members card is acceptable.

Please be sure to honor these three accepted NARM identifications at your door and shop.
