How Do You Promote NARM Benefits?

Have you been getting creative with your NARM benefits promotions? Send them to narmdirector@gmail.com and we will share them with everyone!

Recently the Museum of Art – DeLand, Florida featured two members who wrote how very happy they were to have NARM benefits—even happier than winning a bottle of wine from Sandro Chia’s collection!

After participating in last summer's Museum survey, Steve and Jane Glover, were entered into a drawing to receive a magnum of Brunello di Montalcino (\$300) from the cellars of artist Sandro Chia (...). At the time, the Glovers were traveling - taking full advantage of their NARM (North American Reciprocal Museum) Membership...

“Thank you for the wonderful wine and for the fabulous work the museum does. A greater gift has been the passport to the world of art that museum membership has given us. In addition to the world class exhibits at our Museum of Art in DeLand, during the last two years we've visited more than 20 museums in the NARM family. From the Dali in St. Pete, the High in Atlanta, the Phillips Collection in D.C. to The Clark in Williamstown and The Wadsworth Atheneum in Hartford. They are all jewels like our museum in DeLand

Thanks again for everything! Friends and patrons will be happy to raise a glass ‘To Art’ with us.” - Jane and Steve Glover, Museum of Art - DeLand Sustaining Level / NARM Level Members
