

NARM is Spreading the Word

The more people hear about the North American Reciprocal Museum (NARM) Association the more **your membership will grow!** NARM is spreading the word about how it can open doors for individuals across North America with:

- a website for the general public to learn more about NARM: narmassociation.org,
- an article about NARM on AOL.com's Finance section 'Daily Finance,'
- a brochure, thanks to the efforts of NARM's preferred provider Graphic Umbrella, explaining the

program and how it can benefit individuals who join your institution at the NARM level,

- and, a new official NARM list condensed to **only two pages**, front and back, so you can mail it out more easily!

NARM brochures will be available upon request to paid NARM member institutions next week! If you are interested in receiving a brochure to see if it may be something you would like to give to your members and prospective members— please send an email to narmdirector@gmail.com with your mailing address.

New Benefits for You!

NARM member institutions can take advantage of two fantastic new benefits when you sign up! AttractionSuite and TRIPinfo.com separately offer NARM members discounts on their products, but **together** they offer a new way to reach a much wider audience for exhibitions and attractions and more!

Not only do NARM member institutions get a free listing on TRIPinfo.com 'Attractions' page, you will be able to add a **Book Now** button linked to AttractionSuite's online ticketing software and capture the travel audience as they plan their trip!

This great feature will also be

available on NARM's official website list for institutions using the AttractionSuite ticketing software.

The reach with this amount of promotion will be tremendous! And the page this link opens can be customized to promote an upcoming exhibition, membership... the possibilities are endless.

NARM Stickers – Revisited

The gold NARM sticker has been the topic of much discussion recently. Feedback from the Spring survey included many comments regarding the NARM sticker being easily removed and placed on non-qualified members cards. This is a concerning trend.

Have you had problems with the NARM sticker? Would you like to be able to print an image file, such as the one on the left, directly onto your membership cards instead?

Please send your feedback to narmdirector@gmail.com

Official Lists – Your Feedback, Please

The North American Reciprocal Museum program began with a small list of museums in a Microsoft Word document. Over the past 6 years there have been many versions of the Word list, an Excel spreadsheet, an internet list with links and now a Google map with NARM participants and links. Which of these lists do you use? Now that there is a condensed 2 page list, will you still use the longer 'NARM Condensed' version of the list?

Your feedback is always welcome and greatly appreciated!

Have a wonderful summer!
