

One of the Largest Reciprocal Membership Programs in the World

Did you know that you are a member of one the largest reciprocal membership programs in the world? As a participating NARM member, your institution, and your qualified NARM level members are! And commitment, dedication, and increased marketing opportunities will work to ensure that everyone in North America knows too. NARM has a total of 675 member institutions with the mid-September updates!

Ongoing efforts to increase awareness of NARM include the mailing of the new NARM decal and brochure sample in June. We hope the decal will provide more visibility to your participation in this fantastic program and the brochure will help promote the benefits of joining your institution at a

higher level of membership. *Don't forget* – if you are a paid member of NARM you can receive 100 complimentary brochures.

NARM also has almost 4,000 'likes' on the NARM facebook page! Have you visited yet? Daily features of current and upcoming exhibitions help share what's happening at NARM member institutions and what their NARM qualified members have access to enjoy.

Don't forget to remind your members to 'like' NARM's facebook page and to keep an eye out for all the fabulous things NARM institutions are doing!

NARM Stickers and Images

In case you missed the memo—the gold NARM sticker is now just one way you have to identify your NARM qualified members. If more convenient, it is acceptable to print an image of the gold NARM sticker instead of applying the actual sticker to the membership cards.
